Pote's Notes

As I sit here typing this letter, I am thinking about all our fallen Nobles who have passed onto their beautiful celestial home above. I would like everyone to take a minute to think about our fallen brothers and cherish the good times spent with them while they were with us and say a little pray for their families during this Memorial Day weekend.

Summer is upon us and the busy time of year is here. I want to wish all of you a very safe and healthy summer with your families.

I would like to thank our friends and Nobles who traveled with First Lady Sonya and me to Cancun, Mexico for our May 2022 Potentate trip. We had an awesome week of fun, delicious food and drinks, and most of all a week filled with great memories that will be cherished for a lifetime. To those Nobles and friends at the Jaffa Shrine, "Thank You" for joining us and making the trip "extra fun and special". Ali Ghan Shrine Nobles showcased their talents by winning first and second place in their version of American Idol. First place Tim Schupfer, second place Mike Kerns. Tim Schupfer also won several poolside games along with (Plunker) Jim Simmons, Past Master of East Gate Lodge, placed second in the "walking on water" (Boogie Board) Oh yes he did!

There are a couple of events early June with the first being the Pavilion Steak Feed June 4th and the First Ladies Project, Community Festival, June 11th, from 12-6pm. There will be something for everyone (entertainment, vendors, crafts, food, service organizations, kids area, Ali Ghan Train, Superheroes, raffles and more. This fundraiser is for Shriners Hospitals (Erie, Philadelphia and Dayton). Please show your support and bring your family to the festival.

The winner of the Kids Coin Jar Fundraiser will be announced at the Community Festival. The last day to submit a coin jar will be Wednesday June 8th at the Ace of Clubs.

Sincerely Yours

Mark Lathrop, 2022 Potentate

Railroad Unit has reduced their Spaghetti dinners to the following schedule:

June, August and October,
the first Monday of the month. 5 – 7pm

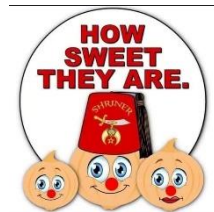

June 6th

- Dinner includes:
- Salad, Bread, Desert, & Tea
- Eat In or Take Out

A Few Words from Noble Wayne Robinson:

Hello everyone! I hope everyone is ready to enjoy some spring weather. Just a note about the Railroad Unit. Bert Green has been working dilligently trying to get the engine back together and I think all we have to do is prime the fuel, start her up, and she'll be ready for the June 11th activities. Tom Valentine was kept busy with the **onions** as we had 100 bags and as of now **we have about 20 left**, so if anyone needs some we have them at the unit building. On another note the Transportation Unit was kept busy in April as we had 5 trips to Philadelphia. I have to say we have a great crew of drivers. So far for May we have been pretty quite and only one scheduled for June so far. Well that's about all for the Railroad and Transportation Units for now. Have a good spring!

- April 1st The Transportation Unit entered into a partnership with Enterprise.
- There have been 14 Transports to date.
- Currently have 2 dozen drivers
- Ali Ghan currently has 19 patient contacts

Motor Corps Ladies Supporting their Nobles at the Parades.

The Motor Corps has been making great strides in the past several months. We have had the honor to welcome several new members, with the increase in membership came the added pressure on our two chief mechanics Bert Green and Ed Richards to get our fleet of *little* cars prepared and operational for parade season. Motor Corps members will be sporting a new look this parade season, to be honest it is back to the future, we just returned to the black shirts, black pants with gold stripe uniform from the past.

Members have been active with fund raising activities to keep our unit moving forward they have included: two successful raffles and three Fish Fry. *A Big Motor Corps Thank You to all who helped and supported these efforts.*

Ali Ghan's Chief Rabban, Mike Starliper and Treasurer, Roger Mullenax with 2022 Jaffa Divan at the Jaffa Potentate's Reception in Altoona, PA for Illustrious Potentate David E. Dodson Jr. and Lady Traci on Saturday, May 7th.

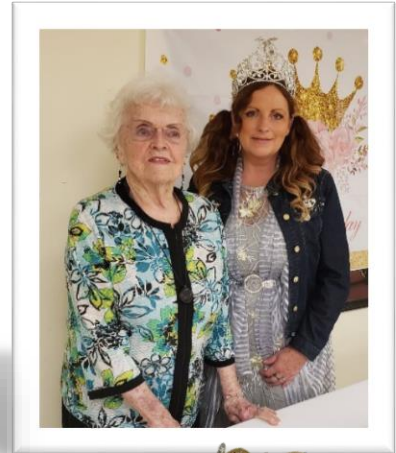

All things eventually wear out and need replaced and upgraded. The Temple kitchen now has lines ran to convert from propane to natural gas and replacement appliances are being installed. Many of these improvements and work is being spearheaded by Treasurer, Divan Noble Roger Mullenax. There's always work to be done, from cleaning, watering plants, mowing, to repairs and major projects. Thanks to all who donate your time and often money to the upkeep, improvements, and beautification of the temple? It's encouraged for others to come out and give some time. The more that help the less that we burn out or wear out those that are working. The temple is the 'house' of the Ali Ghan family and it's been said that a family that works together, stays together.

Many other jobs and items taking place:

- Kitchen upgrades in the Director's Staff Building
- Replacement frig in the Motor Corps (per a donated one)
- Picnic tables sanded and painted at the Picnic Grounds
- Repairs planned to Motor Corps garage doors after storm damage
- New Electronic Sign being installed at the entrance
